This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of LD Exchange.com, Inc. ("LD Exchange" or the "Company") to cancel its Certificate of Public Convenience and Necessity to operate as a reseller of intrastate interexchange telecommunications in the State of South Carolina. A review of the docket file reveals that LD Exchange's authority to provide resold intrastate interexchange telecommunications services in South Carolina as a non facilities-based carrier was granted by Order No. 2000-975, dated December 6, 2000.

By letter dated December 3, 2003, LD Exchange, through its compliance analyst, advises the Commission of the Company's desire to cease providing telecommunications services in South Carolina; therefore, LD Exchange requests cancellation of the Company's Certificate of Public Convenience and Necessity. According to LD Exchange, the Company currently has no customers in South Carolina; hence, there will be no adverse impact upon consumers.

As LD Exchange intends to no longer provide the services for which its Certificate of Public Convenience and Necessity was granted, the Commission finds and

concludes that LD Exchange's Certificate of Public Convenience and Necessity to provide resold intrastate interexchange telecommunications services within the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide resold intrastate interexchange telecommunications services within the State of South Carolina as a non facilities-based carrier authorized by Order No. 2000-975, dated December 6, 2000, issued in the instant docket to LD Exchange.com, Inc. is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
